We offer modern accommodation with a cozy atmosphere. Explore our 112 hotel rooms with amenities and tasteful decor. In our "living room" you can enjoy comfortable lounge areas for relaxed moments with someone you care about.

In our restaurant, KÖK 57, we serve tasty and sustainable food from local producers. We find inspiration from the Swedish classic cuisine along with ingredients from Skåne.

At Hus 57 you can enjoy cozy moments by the fireplace in the lobby, play a game of table tennis in our play lounge, relax in our wellness area, have a great workout in the gym, or simply sleep in our comfortable beds.
